

Planet [Planet]

Planet is an RSS feed aggregator module from [XoopsForge](#).

SUMMARY

Add RSS feeds from other sites to your site, categorize them. Users can also subscribe to feeds of your feeds. This module integrates with the Article module, allowing you to write articles based on the feed post.

REQUIREMENTS

Frameworks - <http://xoopsforge.com/mod ... oopseditor>

DOWNLOAD - <http://xoops.org.cn/modul ... hp?lid=515>
